OVERSEA TRADE

SOUTH AUSTRALIA

JUNE 1965

This bulletin shows direct trade between overseas countries and South Australia. INTERSTATE TRADE AND OVERSEA TRADE VIA OTHER STATES IS EXCLUDED. The figures are preliminary and subject to revision.

Because of the wide variety of imports they have in many cases been grouped under headings indicative of main items in the group, e.g. Apparel and attire, this makes it impracticable to publish a table of quantities as there is often no appropriate single unit of quantity. For similar reasons the first table excludes a number of export items.

VALUE of exports is expressed £A f.o.b. or its equivalent at port of shipment; value of imports is "transaction value" £A f.o.b. or "domestic value" £A f.o.b. at port of shipment, whichever is the higher.
